**Description**

Patternfly-sass has a login page. Currently, we are copying the compiled css to: [https://github.com/theforeman/foreman/blob/develop/app/assets/stylesheets/login.scss](https://github.com/theforeman/foreman/blob/develop/app/assets/stylesheets/login.scss)

Need to update the login page so it will be based on the patternfly implementation for login.
