Foreman - Bug #23769
Inconsistant documentation in --order option in scoped_search for katello and foreman
06/01/2018 11:55 AM - Rahul Bajaj

Status: Closed
Priority: Normal
Assignee: Rahul Bajaj
Category: API
Target version: 1.19.0
Difficulty: trivial
Triaged: No
Bugzilla link: 

Description
In foreman

`--order ORDER Sort results`

In katello

`--order ORDER Sort field and order, eg. ‘name DESC’`

I think there should be consistency between the two, also we should display `eg. id DESC` as name is not a field in all the tables we have.
