Description

Even though the given user should have the rights to clone a host, the button is not displayed in the host show view. The action is available from the hosts index however which is what is expected.

This is only the case with the following roles set:

```
########
### Role 1
########
Architecture         view_architectures
Compute profile      view_compute_profile
Compute resource     view_compute_resources_vms,
                      create_compute_resources_vms,
                      edit_compute_resources_vms,

Associated revisions
Revision c1dff5e7 - 08/02/2018 08:07 AM - Marek Hulán
Fixes #24078 - correctly verify permission on clone button

History
#1 - 08/01/2018 12:01 PM - The Foreman Bot
- Assignee set to Marek Hulán
- Status changed from New to Ready For Testing
- Pull request https://github.com/theforeman/foreman/pull/5904 added

#2 - 08/01/2018 12:01 PM - Marek Hulán
- Target version set to 1.20.0

This was present "forever" or at least since Foreman 1.5. I suppose this will get to 1.20 so setting target version accordingly.

#3 - 08/02/2018 08:07 AM - Tomer Brisker
- Fixed in Releases 1.20.0 added

#4 - 08/02/2018 09:01 AM - Marek Hulán
- Status changed from Ready For Testing to Closed
