please use specific features vs generic tasks, this kind of title will not help users when they try to understand what has changed in a given release, instead it should be:
- add Component X to foreman
- Ensure plugin n is using component X from core

#3 - 01/21/2019 01:35 PM - Maria Agaphontzev
- Subject changed from Move components in the move_to_foreman directory to foreman to Move components in the move_to_foreman directory in katello to foreman
