Packaging - Refactor #26340

Require at least Puppet 5.5.8

03/13/2019 02:26 PM - Ewoud Kohl van Wijngaarden

Status: Closed
Priority: Normal
Assignee: Ewoud Kohl van Wijngaarden
Category: Debian/Ubuntu
Target version: 1.22.0
Difficulty: Pull request:
Triaged: Yes
Bugzilla link:

Description
This is the lowest version that satisfies the minimum Puppet version in our modules' metadata.json. Older versions will throw warnings. It's better to hard require the correct version. Puppet 4 is also EOL.

Follows from the RFC at https://community.theforeman.org/t/dropping-puppet-4-support-in-our-installer/13029
