Hammer CLI - Bug #26703

Hammer does not convert single value into an array for a list type option

04/29/2019 11:15 AM - Martin Bacovsky

# hammer host update --puppet-class-ids 2 --name pipeline-foreman-1-22-centos7.wisse.example.com

Host updated.

Yet after that the Puppet class is not assigned. The debug output suggests it's not parsing the parameter:

```plaintext
INFO 2019-04-26T15:16:49 API] PUT /api/hosts/1
  "host" => {
    "name" => "pipeline-foreman-1-22-centos7.wisse.example.com",
    "puppetclass_ids" => 2,
    "compute_attributes" => {}  
  }
}
```
