### Description

**Description:**

GCE hammer always selects f1-micro image type regardless of requested image type,

**How Reproducible:**

Always

**Steps:**

1. Provision a GCE host from a hammer with the image anything other than f1-micro type.

   ```
   hammer host create --architecture-id 1 --build true --compute-attributes 'machine_type=n1-standard-2, network=default, associate_external_ip=true' --compute-resource-id 1 --domain-id 1 --image-id 1 --operatingsystem-id 1 --provision-method image --puppet-ca-proxy-id 1 --puppet-environment-id 1 --puppet-proxy-id 1 --root-password changeme --volume 'size_gb=13, size_gb=11' --location-id 2 --organization-id 1 --name gcePlus1
   ```

**Actual Behavior:**

1. The GCE Host is provisioned but the image type in provisioned is f1-micro always.

**Expected Behavior:**

1. The GCE host should be provisioned with the requested image type in the hammer command.

### Associated revisions

Revision 3c9cf5ac - 12/11/2019 12:02 AM - Kavita Gaikwad

Fixes #28130 - show selected machine_type on GCE host edit form

### History

Hi Jitendra,

have you tried to create a vm the same way but via direct API calls with the same parameters?

If so, does it behaves the same way?

I have not tried GCE Host provisioning from API yet but will try and reply with my comments here. Thanks

#3 - 11/22/2019 11:57 AM - Kavita Gaikwad
- Triage changed from No to Yes

I have tested this scenario and found that this is not an issue on Hammer side. It should be fixed in Foreman core.

#4 - 11/22/2019 12:20 PM - Oleh Fedorenko
- Category changed from Hosts to Compute resources - GCE
- Subject changed from [Hammer] [GCE] Always any selected image type is being selected as f1-micro. to [GCE] Always any selected image type is being selected as f1-micro.
- Project changed from Hammer CLI to Foreman

#5 - 11/22/2019 12:25 PM - Kavita Gaikwad
- Priority changed from High to Normal

Modifying priority to Normal as on edit form it is not showing correct selected value.

#6 - 11/22/2019 12:32 PM - Kavita Gaikwad
- Bugzilla link set to 1775616

#7 - 11/22/2019 12:33 PM - Kavita Gaikwad
- Assignee set to Kavita Gaikwad

#8 - 11/25/2019 07:25 AM - The Foreman Bot
- Status changed from New to Ready For Testing
- Pull request https://github.com/theforeman/foreman/pull/7202 added

#9 - 12/11/2019 12:02 AM - The Foreman Bot
- Fixed in Releases 2.0.0 added

#10 - 12/11/2019 01:01 AM - Kavita Gaikwad
- Status changed from Ready For Testing to Closed
Applied in changeset 3c9cf5ac1b3f30a1e51e6f129312ec00d71937b3.

#11 - 12/17/2019 09:22 AM - The Foreman Bot
- Pull request https://github.com/theforeman/foreman/pull/7267 added

#12 - 12/17/2019 11:50 AM - Michael Moll
- Fixed in Releases 1.24.1 added
