Description
Cloned from https://bugzilla.redhat.com/show_bug.cgi?id=1691436

Description of problem:
- hammer location create do not add location to the specified organization

Version-Release number of selected component (if applicable):
- Satellite 6.4 and 6.5

How reproducible:
- always

Steps to Reproduce:

hammer> location list
---|------------------|------------------|------------
ID | TITLE            | NAME             | DESCRIPTION
---|------------------|------------------|------------
2  | Default Location | Default Location |
---|------------------|------------------|------------

hammer> organization list
---|----------------------|----------------------|-------------|----------------------|------------
ID | TITLE                | NAME                 | DESCRIPTION | LABEL                | DESCRIPTION
---|----------------------|----------------------|-------------|----------------------|------------
1  | Default Organization | Default Organization |             | Default_Organization |

hammer> location create --name Test1 --organization-id 1
Location created.

hammer> location list --organization-id 1
---|------------------|------------------|------------
ID | TITLE            | NAME             | DESCRIPTION
---|------------------|------------------|------------
2  | Default Location | Default Location |

hammer> location list
---|------------------|------------------|------------
ID | TITLE            | NAME             | DESCRIPTION
---|------------------|------------------|------------
2  | Default Location | Default Location |
4  | Test1            | Test1            |

05/10/2020
Actual results:
- location is not added in the specified Org 1

Expected results:
- location should be added in the specified Org 1

Additional info:
need to use the below command for now:
1. hammer location add-organization --name Test1 --organization-id 1

Revision 69dd905f - 02/11/2020 03:34 PM - Shira Maximov
Fixes #28869 - change the description of the scoped loc and org (#494)

History
#1 - 01/28/2020 09:49 AM - Shira Maximov
- Project changed from Foreman to Hammer CLI

#2 - 01/29/2020 08:03 AM - Shira Maximov
- Triaged changed from No to Yes
- Assignee set to Shira Maximov

#3 - 02/10/2020 03:42 PM - The Foreman Bot
- Status changed from New to Ready For Testing
- Pull request https://github.com/theforeman/hammer-cli-foreman/pull/494 added

#4 - 02/11/2020 07:34 AM - Shira Maximov
Normally you would expect to set the organization but it's not the case. organization_id can only set the scope of the request.
like, In the UI, you have those two buttons of the location and organization, and they are setting the scope of all foreman actions...
organization_id will not set the organization just the scope of it.
so, the best approach here is to change the help because it could be a bit confusing.

#5 - 02/11/2020 03:34 PM - The Foreman Bot
- Fixed in Releases hammer-cli-foreman-0.20.0 added

#6 - 02/11/2020 04:02 PM - Shira Maximov
- Status changed from Ready For Testing to Closed

Applied in changeset hammer-cli-foreman/69dd905f8b799259671c5a2c3bc2c904c0f3f131.
