Two tooltips shown over capsule name at the same time

When hovering mouse over capsule names in capsules overview, two tooltips are displayed at the same time (one for `<td>`, one for `<a>`).

Steps to Reproduce:
1. Go to Infrastructure > Capsules
2. Move your mouse over capsule name

Actual results:
Two tooltips are shown.

Expected results:
Less than two tooltips being shown.

Additional info:
Tested on Firefox 68.0 (64bit) and Chrome 76.0.3809.87 (64bit)

Associated revisions
Revision d77ca675 - 10/20/2020 11:18 AM - Justin Sherrill
Fixes #29017 - do not show 2nd tooltip on SP name

Previously the smart proxy url always appeared on a tooltip when hovering. That meant that when the name wasn't fully displayed the ellipsis would display a 2nd tooltip with the name.
