Foreman - Bug #32883
Menu::Item doesn't use the `:if` option
06/24/2021 03:23 PM - Ian Ballou

Status: Closed
Priority: Normal
Assignee: Ian Ballou

Fixed in Releases: 3.0.0
Found in Releases:

Description
The `:if` option is saved into @condition, but it doesn't appear to be used anywhere:
https://github.com/theforeman/foreman/blob/3347fa49d500964f0209122d8d36c920d1feafcc/app/registries/menu/item.rb#L14

One suggestion is to use @condition in the `to_hash` method to control if the menu item is used or not.

It is also advertised that a Proc can be passed into the `:if` option. This functionality should also be re-implemented. (https://github.com/theforeman/foreman/blob/develop/app/registries/menu/manager.rb#L60)
