Foreman - Bug #8930

Typo on Trends page

01/13/2015 11:11 AM - Bryan Kearney

Status: Closed
Priority: Normal
Assignee: Bryan Kearney
Category: Web Interface
Target version: 1.7.2
Difficulty: Pull request: https://github.com/theforeman/foreman/pull/2079

Triaged: Fixed in Releases:
Bugzilla link: 1179457 Found in Releases:

Description
Cloned from https://bugzilla.redhat.com/show_bug.cgi?id=1179457

Description of problem:
With no trend counters defined, the string shown that tells you to create some has a typo in it on the Trends page:
"To define trend counters, use the Add Trend Counter button. To start collecting trend data, set a cron job to execute `rake trends:counter` every Puppet Interval (30 minutes)."

There needs to be a space between the sentences.

Version-Release number of selected component (if applicable): 6.0.6
