

## Docker - Issues

| #     | Tracker | Status            | Priority | Subject                                                                                                            | Author               | Assignee             | Updated             | Category                | Target version |
|-------|---------|-------------------|----------|--------------------------------------------------------------------------------------------------------------------|----------------------|----------------------|---------------------|-------------------------|----------------|
| 14039 | Bug     | Duplicate         | High     | Containers can't be deleted via API or hammer                                                                      | Brad Buckingham      | Tom Caspy            | 04/07/2016 10:41 AM |                         |                |
| 16507 | Bug     | New               | High     | creating a container with image from 'registry.access.redhat.com' results 'getaddrinfo: Name or service not known' | Daniel Lobato Garcia | Sebastian Gräßl      | 03/15/2017 03:28 AM |                         |                |
| 8409  | Bug     | Closed            | High     | Failure when creating a container with an image not in the host                                                    | Daniel Lobato Garcia |                      | 04/08/2015 03:13 AM |                         |                |
| 9677  | Feature | New               | High     | Add BATS testing for foreman-docker                                                                                | David Davis          |                      | 08/12/2015 12:58 PM |                         |                |
| 8986  | Bug     | Ready For Testing | High     | Getting "Error - undefined method `delete' for nil:NilClass" while trying to stop a container                      | David Davis          |                      | 01/26/2015 06:18 AM |                         |                |
| 9159  | Bug     | Closed            | High     | Rubocop 0.28 failures                                                                                              | Dominic Cleal        | David Davis          | 01/29/2015 11:01 AM |                         |                |
| 7893  | Bug     | Closed            | High     | Access permissions test failures on master                                                                         | Dominic Cleal        | Daniel Lobato Garcia | 07/12/2018 09:54 AM |                         | 1.7.2          |
| 11982 | Bug     | New               | High     | Docker pull unable to find image                                                                                   | Greg Swift           |                      | 10/01/2015 05:12 PM |                         |                |
| 25988 | Bug     | Closed            | High     | registry auto_complete not working                                                                                 | Maria Agaphontzev    |                      | 05/03/2019 01:02 PM |                         |                |
| 19591 | Feature | Closed            | High     | unable to remove docker plugin cleanly                                                                             | Neeraj Harikrishnan  | Marek Hulán          | 02/26/2019 09:01 AM |                         |                |
| 9570  | Bug     | Closed            | High     | Can't connect to docker compute resource (Docker::Error::AuthenticationError)                                      | Partha Aji           | David Davis          | 03/01/2015 01:01 PM |                         |                |
| 9382  | Bug     | Closed            | High     | Wrong Docker Compute resource getting provisioned                                                                  | Partha Aji           | David Davis          | 03/18/2015 03:03 PM |                         |                |
| 20773 | Feature | Rejected          | High     | Support for Private Repos at Docker Hub                                                                            | Sebastian Gräßl      | Thomas McKay         | 08/29/2017 02:51 AM |                         |                |
| 18502 | Bug     | Closed            | High     | Creating a docker compute resource with unix socket URL throws error                                               | Sebastian Gräßl      | Sebastian Gräßl      | 07/12/2018 09:55 AM | Plugin (foreman_docker) | 1.11.0         |
| 18222 | Bug     | New               | High     | Cannot add gitlab host docker registry as a new registry with the foreman-docker plugin                            | Shaun Martin         |                      | 01/24/2017 11:38 AM |                         |                |
| 16235 | Bug     | Closed            | High     | As a user, I would like to add a insecure registry.                                                                | Thomas McKay         |                      | 06/19/2017 07:03 AM | Plugin (foreman_docker) |                |
